RESOLUTION 2013- 4

RESOLUTION TO CREATE A RURAL IMPROVEMENT DISTRICT FOR THE BIG SKY SUBDIVISION NUMBER 2012-3

WHEREAS, the Board of County Commissioners passed Resolution 2012-148 declaring an intent to create Rural Improvement District 2012-3 for Big Sky Subdivision; and

WHEREAS, the resolution of intention designates items set forth in MCA §7-12-2103(2):

(a) The designated number of the district is 2012-3.

(b) The boundaries are shown on Exhibit A and described on petition Exhibit B located in the SW1/4 Section 6, Township 10 North, Range 3 West, P.M.M., Lewis and Clark County, Montana.

(c) The general character of the improvements include an asphalt mat and the general character of maintenance includes, but is not limited to chip sealing crack sealing, snow plowing, sweeping, culvert cleaning, and other maintenance and repair as necessary to preserve the road surfaces.

(d) Dowl HKM is the engineer to have charge of the work and the estimated costs for said improvements are $18,137.60 per year for a period of fifteen (15) years and the estimated cost for said annual maintenance is $6,229.60.

(e) All parcels within the proposed district would benefit and would be assessed using MCA §7-12-2151(1)(a) Each lot, tract, or parcel of land assessed in the district may be assessed with that part of the whole cost which its assessable area bears to the assessable area of all the benefited lots, tracts, or parcels in the district, exclusive of streets, avenues, alleys, and public places. For the purposes of this subsection (1)(a), "assessable area" means an area of a lot, tract, or parcel of land representing the benefit conferred upon the lot, tract, or parcel by the improvement. Assessable area may be less than but may not exceed the actual area of the lot, tract, or parcel.

- The total assessment for a parcel is the portion of the total cost represented by the assessable area of the parcel divided by the total assessable area in the district. The assessable area of the land is the area of the lot but not to exceed 10 square feet. The assessable area of habitable improvements on a parcel is the sum of the footprint areas of each habitable improvement not to exceed 10 square feet each.
- Example:
  Assume 30 lots with 20 improved. Total assessable area is (30x10)+(20x10)=500
  Total cost = $10,000
  - Lot with one improvement; [(10+10)/500]$10,000=$400
  - Lot with no improvements; (10/500)$10,000=$200
  - Lot with 2 improvements; [(10+{2x10}]/500=$600
- All funds collected for the district shall be spent solely for the improvement and maintenance activities within the proposed district.

WHEREAS, notice was published and mailed according to MCA §7-12-2105; and

Paulette DeHart Clerk & Recorder, Lewis & Clark MT

WHEREAS, the protest period was open December 2, 2012 through January 14, 2012 at 5:00pm, a period greater than thirty four (34) days, per MCA §7-12-2109.

NOW, THEREFORE LET IT BE RESOLVED, by the Lewis and Clark County Board of County Commissioners that it does hereby approve the creation of the Big Sky Rural Improvement District 2012-3.

BE IT FURTHER RESOLVED that protests, sufficient to prohibit further proceedings per MCA §7-12-2109, were not delivered to the Clerk and Recorder's Office during the protest period.

DATED this 15 day of January, 2013.

PETITION TO CREATE A RURAL IMPROVEMENT DISTRICT FOR IMPROVEMENTS AND MAINTENANCE FOR BIG SKY SUBDIVISION

We the undersigned, owners of real property within the proposed Big Sky Rural Improvement District, located in Section 6 of T10N, R3W, P.M.M., of Lewis and Clark County, do hereby petition the Board of County Commissioners to create a Rural Improvement District for the purpose of improving and maintaining roads within the Big Sky Subdivision, as authorized by MCA §7-12-2101, et. Seq. The boundaries of the proposed district are shown on the attached Exhibit A. The proposed improvement activities generally include an asphalt mat. The estimated annual cost for said improvements is $14,970.38, for a period of twenty years. The proposed maintenance activities could include chip sealing, crack sealing, snow plowing, sweeping, culvert cleaning, and other maintenance and repair as necessary to preserve the road surfaces. The estimated annual cost for said maintenance is $6,233.85 per year.

All parcels within the proposed district would benefit and would be assessed using MCA §7-12-2151(1)(a) Each lot, tract, or parcel of land assessed in the district may be assessed with that part of the whole cost which its assessable area bears to the assessable area of all the benefited lots, tracts, or parcels in the district, exclusive of streets, avenues, alleys, and public places. For the purposes of this subsection (1)(a), "assessable area" means an area of a lot, tract, or parcel of land representing the benefit conferred upon the lot, tract, or parcel by the improvement. Assessable area may be less than but may not exceed the actual area of the lot, tract, or parcel.

The total assessment for a parcel is the portion of the total cost represented by the assessable area of the parcel divided by the total assessable area in the district. The assessable area of the land is the area of the lot but not to exceed 10 square feet. The assessable area of habitable improvements on a parcel is the sum of the footprint areas of each habitable improvement not to exceed 10 square feet each.

Example:
Assume 30lots with 20improved. Total assessable area is (30x10)+(20x10)=500
Total cost = $10,000
Lot with one improvement; [(10+10)/500]$10,000=$400
Lot with no improvements; (10/500)$10,000=$200
Lot with 2 improvements; [(10+{2x10}]/500=$600
All funds collected for the district shall be spent solely for the improvement and maintenance activities within the proposed district. Exhibit B also shows the estimated parcel cost and signatures of the property owners petitioning for the creation of the district.

The County will serve only to coordinate the necessary work, collect the assessments, and disburse payments for the district. It is anticipated that a private contractor would perform the maintenance.

This petition is being circulated in accordance with the Lewis and Clark County Rural Improvement District (RIDs) and Rural Maintenance Districts (RMDs) Policies and Procedures manual which is on file and available for inspection at the Lewis & Clark County Board of County Commissioners. Because of aggregation and subdivision of parcels, the actual number of parcels stated in the petition may change between the time the petition is circulated and the time the board considers the resolution of intention to create the RID, and therefore, the actual assessment per parcel may be greater than or less than the amount stated in the petition and the number of lots to be assessed will be set as of the date of the resolution of intention to create the RID.
