

DROP-IN PUBLIC OPEN HOUSE

Select Your Favorite Concept!

Learn about the progress of the **Greater Helena Area Wayfinding System** and give us your feedback on your preferred design for the future wayfinding sign family for the Greater Helena Area. This event will be a drop-in, drop-out open house style event where a small amount of time is required to participate. There will be a short presentation about the project at 12:15pm for those interested in learning more about the project. See you there!
