

PUBLIC MEETING LEWIS & CLARK COUNTY PRE-DISASTER MITIGATION PLAN

Lewis & Clark County is initiating the five year update to their Pre-Disaster Mitigation Plan. The Plan will update the strategy to reduce impacts of natural and man-made hazards on our communities. You're invited to bring your local knowledge and ideas to the meeting and provide input on how to mitigate the effects of wildfire, flooding, and other hazards.

Wednesday, October 19th, 2016

3:00 PM

Lower Level - Law Enforcement Center

221 Breckenridge St., Helena
