COUNTY

GENERAL OBLIGATION BOND FOR NEW PUBLIC SAFETY FACILITY

Shall the Board of County Commissioners (the “Board”) of Lewis and Clark County, Montana (the “County”) be authorized to issue and sell general obligation bonds of the County, in one or more series in the aggregate principal amount of up to forty million nine hundred forty five thousand and three hundred and eighty nine dollars ($40,945,389), bearing interest at rates to be determined by the Board, payable semiannually during the term of not to exceed twenty (20) years and redeemable on any date after one-half of their term, for the purpose of paying the costs of designing, constructing, equipping and furnishing a public safety facility having a holding capacity for approximately 244 inmates and includes areas for administrative activities, security and surveillance systems, food preparation and laundry facilities, a new Sheriff’s office, administrative offices and meeting rooms, and related improvements, to be located on the I-15 frontage road one mile north of Custer Avenue in Helena, Montana; and paying costs associated with the sale and issuance of the bonds?

- **BONDS - YES**
- **BONDS - NO**

COUNTY (Continued)

PERMANENT LEVY FOR OPERATION AND MAINTENANCE OF THE COUNTY'S PROPOSED PUBLIC SAFETY FACILITY

Shall the Board of County Commissioners be authorized to establish a permanent mill levy of approximately 45.10 mills or $5,281,802 annually for the operation and maintenance of the County’s proposed public safety facility where the new permanent levy of approximately 45.10 mills or $5,281,802 annually will be subject to Section 15-10-420(1)(a), MCA after the first year allowing for inflationary growth and newly taxable growth?

If this bond issue is approved, based on the estimated costs of the proposed project of $40,945,389, the most recent assessed values of taxable property in the County and assuming an interest rate on the bonds of 4.00% per annum and a term of 20 years, the bonds issued in their maximum authorized amount would result in an estimated annual tax increase on a home, with a current assessed value of $100,000, of $59.04 and a home valued at $200,000 would be increased by the levy $118.07.

The imposition of the permanent levy for maintenance and operation of the proposed public safety facility is contingent on the voter approval of the $40,945,389 general obligation bonds of the County for such facility and construction of the facility.

- **PERMANENT MILL LEVY - YES**
- **PERMANENT MILL LEVY - NO**

The County will not issue the bonds or build the public safety facility unless the voters of the County also approve a companion mill levy for the operation and maintenance of the proposed public safety facility.

- **BONDS - YES**
- **BONDS - NO**
