

Indoor Committee Meeting Minutes
November 16, 2015

In attendance were Julie Gilchrist, Dora Lindner, Catherine McNeil, and Cheryl Richman.

Catherine reported the first babysitting class went well tonight with seven kids and two more to attend later. This program is part of the 4-H Military and is a partnership with YMCA and Helena Middle School as part of the YMCA Afterschool Program. She also reported the Scholarship workshop on Saturday, Nov. 14, was attended by 54 people and 27 families and thought it was a great success, although only a few 4-Hers were in attendance. Dora also stated the workshop was quite informative. 4-H was in partnership with the National Guard, Carroll College and Student Assistance Foundation from Helena College. Karen Bratlien put a lot of time and effort in helping organize this event. A mini-rec lab is in the process of being organized for Jan. 30, 2016. In the a.m. will be activities for kids ages 11-15; Leader's College will be offered to parent volunteers at the same time. In the afternoon resume writing, interview skills, and a social media class will be offered. More information will be coming out in the newsletter.

Teen Leaders did not meet because of the workshop on Saturday. It is planned to meet in December to help serve at God's Love and later have a pizza party with a movie or Wii dancing at a place to be determined. Watch the newsletter.

Dora stated the ambassadors met to plan a workshop for rec lab which is in April.

Cloverbuds met for a food workshop which went well. She asked Julie to check if Terra would be available to do an art workshop for Wednesday, December 16.

There were no other indoor projects reported on at this time.

Applications were in for two Indoor Jr. Superintendents. Both were accepted: Austin Gransbery for Sport Fishing and Kaitlyn Edwards for Leathercraft. Applications will still be accepted through December as long as a Superintendent is interested in having a Jr. Superintendent.

It was stated that Award's Night was well-organized and teens did a great job. Many missed having the party afterwards, but kids enjoyed the Trunk or Treat.

The Indoor High Point Award was finalized, and Dora will ask Janet to add the changes and post on the website. We will discuss at the next meeting what the award item should be and how it will be sponsored.

No meeting in December. The next meeting will be Wednesday, January 20, 2016 at 5:30p.m. On the agenda will be premium book changes.

Respectively submitted,

Dora Lindner
