

# NEW! Raising Sheep & Goats on Small Acreages

Raising sheep and/or goats can complement many of the objectives small acreage landowners may have: weed management, agriculture income, relationship with livestock, relationship with your food and agriculture in general. We will cover some of the basics of raising sheep and goats, so you can make an informed decision on whether they are a fit for you and your property.

*Brent Sarchet. 12 hours (4 weeks + field trip.) Thursdays, January 12 - February 2; 5:45 - 8pm. Field trip date and location announced in class. \$69/\$62.10 seniors 65+*
