Sharlene LaRance called the meeting to order and everyone introduced themselves.

**Item 1:** PAUL MONTGOMERY—Mr. Montgomery is affiliated with Anderson-Montgomery Consulting Engineers. His company was hired to recommend to the county how to make changes in the valley for flood control. He came tonight to share information on the county flood master plan that is now available on the county website. To get all the information about the master plan go to the L/C County website.

Suggested things for the committee to keep doing: Seek funding such as through an RSID or create a Storm Sewer Dist., etc; Coordinate with the County Commissioners; Discourage development of new houses in the flood plain;.

During his presentation questions were asked and answered. It was decided that we would discuss his presentation at our next meeting.

**Item 2:** Next meeting will be on November 29, 2012 at the Helena Moose Lodge at 7 pm.
