Scrapbooking

Superintendent - Brenda Johnson

.....

This 4-H year we will meet **June 7th and 8th from 9am – 1pm** each day at the Bill Hamilton Building (BHB) at the fairgrounds. We will go over what to use and why to make a photo type scrapbook. After the demonstration portion of the meeting attendees will then work on putting their own scrapbook together. Supplies needed for this workshop are listed below. If you have questions on this project, please reach out to me at sweetclovers4hclub@yahoo.com. I look forward to working with you!

List of supplies needed:

- 1- 12x12 scrapbook album
- 1-2 Scrapbook adhesive tape runner
- 1- 12x12 scrapbook paper storage case
- 1-2 Designer paper packs any size (used for scrapbooking, card making, party decorations.)
- 20 photos taken on a vacation, during a camping trip, at 4-H camp, etc., that tell of a time you wish to remember.
- Stickers that compliment your photos

Foods & Nutrition

Superintendent - Mandy Rambo

.....

Join us on **May 3, 2025**, for our Foods Workshop. Please select a one-hour timeframe in the survey. The workshop will be held at the Headwaters Covenant Church at 1030 Choteau St., Helena, MT, 59601. Please sign up so I know how many people are coming no later than 12:00 noon on Friday, April 11th. If you have signed up and your plans change and you will not be able to make it, please let me know so that we do not hold up your scheduled timeframe waiting for you. This is the final workshop of the year.

The Recipe of the Year will be shared in the next newsletter.

Pocket Pets

Superintendent - CJ Lassila

.....

April Pocket Pets was on April 21st, 2025. We enjoyed a Show and Tell by project member Adelynn who brought in her sister Kaylei's snake – a four-year-old corn snake named Suki. Our project members got to pet Suki and learn that snakes feel soft but not slimy. Suki came from a local breeder – although corn snakes can typically be purchased at pet stores. We also learned about parakeets and then reviewed information about Pocket Pet nutrition and the importance of food labels. Our final activity was each 4-Her making “Easter eggs” for their pets by filling small cardboard tubes with snack foods and then wrapping the tubes with tissue paper. Pets can play with the “egg” as they work their way into the snack. In the 4-H Pocket Pet project you get to experience and learn about many wonderful pets. Our next workshop will be on Monday, May 19th, at 7:00 pm in the 4-H Building.

Sport Fishing

Superintendent - Guy Rainville

[Click here to view the Facebook Sport Fishing project page](#)

.....

Yes! Interested 4-Hers can still join the Lewis and Clark 4-H Sport Fishing project that began in April. However, if you missed the May 1st deadline, you will not be able to exhibit in this project at our county 4-H Fair. We have weekly Tuesday evening workshops. In April, project members learned how to tie flies and how to tie fishing knots. In late May after our indoor workshops, Sport Fishing will move outdoors to locations around the Helena area.

Note that all project members, volunteers and family members are required to wear PFDs (personal flotation devices - also called life jackets) when in or near the water. Also, there is an additional project fee that must be paid to the 4-H office - \$20.00 per project member. Project books are not required if you attend workshops.

This project has a Facebook page. The title of our page is "4-H Sport Fishing of Lewis and Clark County." Its address is <https://www.facebook.com/groups/818847858323489>. If you have any questions about the Sport Fishing project, contact Project Leader Guy Rainville at (406) 439-3199 or the 4-H Office.

4-H Clubs

Sweet Clovers

.....

Sweet Clovers members have been practicing their public speaking by giving demonstrations and presentations to the club.

Wild Roses

.....

Wild Roses 4-H Club met on April 14, 2025 at the 4-H Building. After our club business meeting, we had 4-H Shooting Sports ARCHERY training - safety and how to shoot. Each member who wanted to shoot was fitted with an arm guard and assisted with selecting arrows and a bow, and then they received instructions on how to stand and how to hold their bow and arrow. After shooting arrows they learned how to “pull” the arrows to safely remove them from the targets. THANK YOU to Ben Rude, the Archery Superintendent, his daughter Macey and Shooting Sports coach Guy Rainville for providing this evening’s archery training.

An important safety requirement that was stressed is that you don’t go forward to your target to get your arrows until everyone is done shooting, and it is announced or you hear a designated whistle blast to know that the range is safe
