

## **Replacement Ballot Request**

This form is used by an absentee, late registration, or mail ballot election voter to request a replacement ballot due to the first ballot being spoiled, damaged, destroyed, or not received. This request may only be used if the voter has not yet returned the voted ballot to the county election office.

A request for a replacement ballot must be made on this form and must be submitted to the election administrator in person, by regular or electronic mail, or by facsimile no later than 8 p.m. on election day.
