#### JURISDICTION OF JUSTICE COURT

The amount demanded in the complaint cannot exceed \$15,000.00. If you are suing a corporation, you must serve the papers on the registered agent and use its correct legal name. This can be obtained by calling the office of the Montana Secretary of State, Capitol Building, Helena, Montana, 59620, 406-444-3665. If you are suing a married individual, you may wish to sue both the husband and wife in appropriate cases so that you can collect from jointly owned property. In such a case you will have to pay to have each individual served.

#### **ATTORNEYS**

A party does not have to be represented by an attorney in Justice Court, however it is your right to be represented by one and you may wish to talk with an attorney before filing a complaint or appearing in court to find out if there is a legal basis for your position. In complicated cases it is recommended that you talk to an attorney to have him explain your rights, etc.

#### **HOW TO PROCEED**

Before filing a complaint you may wish to send a letter by certified mail, return receipt requested, to the person you wish to sue. In the letter state the problem and demand payment within ten (10) days or some other reasonable specified time. If the person refuses the letter or if he does not pay within the time stated in the letter, then file your claim. You may wish to bring your proof of mailing of the letter with you to court if you go to trial. The letter is your proof that you have demanded payment from the defendant.

#### **FORMS USED**

THE CLERK CANNOT PREPARE THEM FOR YOU OR ADVISE YOU ABOUT HOW TO FILL THEM OUT AND WHAT TO WRITE DOWN. If you have any questions about your rights, obligations, etc., you should consult with an attorney.

1. <u>Complaint</u>. A written complaint must be prepared to be filed with the Court. The fee for filing is **\$50.00**, payable at the time of filing. **ONE ORIGINAL AND ONE COPY** for each defendant must be filed with the Court. <u>YOU ARE RESPONSIBLE FOR MAKING THE EXTRA COPIES; THE COURT WILL NOT DO IT FOR YOU!</u>

The complaint must ask for a certain sum of money due and owing and give a brief explanation why the defendant is obligated to pay this money. Furnish dates and places in the complaint, be specific.

- 2. Summons. The plaintiff (person filing the complaint) must prepare the same number of summonses as he made complaints for the Judge or his clerk to sign. The summons, with a copy of the complaint, must be served on each defendant. Justice Court summons are only valid within the State of Montana. You cannot file a complaint in Lewis and Clark County Justice Court against someone who lives out of state.
- 3. Summons for Eviction. The plaintiff (person filing the complaint) must prepare the same number of summonses as he made complaints for the Judge or his clerk to sign. The summons, with a copy of the complaint, must be served on each defendant.

This is a 5 day summons that can only be used in eviction cases. The plaintiff can ask for default, judgment and/or order of eviction 5 working days after the defendant (s) have been served. (cannot count weekends and or holidays)

The plaintiff must assume the responsibility of having the papers served by a proper person, such as by the Civil Bureau of the Sheriff's Office or a private process server. The Sheriff charges \$65.00 per defendant. There is the possibility that there will also be a charge for mileage. These fees, as well as the

filing fee, are "costs of action" and may be added to the amount claimed in the complaint.

It is required that both the complaint and the summons contain the plaintiff's address so that the defendant will know where to serve to the plaintiff any papers the defendant files with the Court in answer. It is also required that the defendant's address be given to aid the person serving the papers and that address must be a street address, **not a box number at the post office**. The plaintiff or the person serving the summons must return the original summons to the Court, showing the "return of service data".

#### **DEFAULT JUDGMENT**

If the defendant fails to file an answer to the summons and complaint within the time allowable by law, the plaintiff may come to the court and request that a "Default Judgment" be taken against the defendant. The plaintiff must see the Justice of the Peace to receive the "Default Judgment". There is no charge for this and after a "Default Judgment" is received, the plaintiff may proceed with collecting his judgment as allowable by law.

#### **ANSWER**

The defendant, as stated in the summons, has either twenty calendar days or ten working days after the defendant has been served in which to file an answer with the Court. A copy of this answer must be mailed to the Plaintiff or served upon him. The fee for filing the answer is \$30.00 per defendant payable <u>at</u> the time of filing.

If the defendant answers and denies the allegations complained in the complaint, then the plaintiff must inform the Court of his desire for a trial. The Court will then set a date and time for trial and mail out the notices. Make sure the Court has your correct address.

#### **BEFORE TRIAL**

- 1. <u>Settlement out of Court</u>. If you reach an agreement with the other party out of court, get it in writing. Give a copy of your settlement agreements, signed by both parties, to the Clerk of Justice Court so that the complaint can be dismissed. When the agreement has been settled in full and no monies are left owing then the plaintiff must file a "Praecipe to Dismiss" with the Court so that the file can be closed.
- 2. <u>Trial Preparation</u>. When you receive your answer from the defendant, <u>YOU</u> are required to notify the Court of your desire to have a trial date set. If you are not able to settle the case before trial, you should prepare to appear in Court on the scheduled date and present your case. If you need to postpone the trial, you must do so in writing to the Court, with enough advance notice so that a copy of the notice can be mailed to the defendant.

As you prepare for trial make sure you have all papers which relate to the case, such as receipts, bills, estimates, contracts, letters, canceled checks, leases, officer's reports, etc. Your case may require you to present photographs, articles of clothing, or diagrams. Contact the people you need to be your witnesses, explain your case, and make sure that they will be at the trial on time.

3. <u>Subpoena</u>. A subpoena is an order from the Court requiring a person to come to Court. If you think a necessary witness will not come to the trial at your request, ask the Court for subpoena forms for <u>YOU</u> to fill out

#### IF YOU DO NOT APPEAR AT TRIAL

1. <u>Plaintiff</u>. If a trial date has been set and is not changed you may lose your case if you do not come to that trial. The judge cannot enter a judgment for you if you are not present at trial to present your testimony and/or evidence. If you need to postpone the scheduled trial date you must do so in writing to the court, giving enough time to notify the defendant by mail.

2. <u>Defendant</u>. If a trial date has been set and not changed a judgment may be entered against you if you do not come to the trial. This means that if you are not there to defend your position the plaintiff can win the case in your absence. If you need to postpone the scheduled trial date you must do this in writing giving enough time to mail a copy to the plaintiff.

#### **TRIAL**

1. <u>Procedure</u>. Justice Court operates somewhat informally. You may want to sit in on another case in the Court where your case will be heard just to see how the trial is conducted.

At the time of trial the Judge will place you under oath and ask you to tell the facts of your case. Facts should be presented in the order in which they happened.

First the plaintiff tells his side of the case, presents evidence and calls witnesses. It is then the defendant's turn to tell his side of the case, present evidence and call witnesses. Each party may cross-examine the other party and his witnesses and ask questions about any evidence. After the testimony each side may make a closing statement to sum up his case.

2. <u>Proving your case</u>. As the plaintiff you must prove that the defendant caused some damage and owes you a specific amount of money as a result. Prove your facts with evidence. You can use your own testimony, the other party's testimony and the testimony of other witnesses as evidence. You may also use any document, bill, diagram, photograph, police report, estimate of damages, or other objects related to the case as evidence to prove your case. Notarized letters from persons not personally in court are not allowed.

#### **JUDGMENT**

A judgment is the written decision of the Court. The judge may make a decision immediately after the trial or may make the judgment at a later date. In either case a judgment will be mailed to you later so **be certain the Court has your correct mailing address**. If you win the case, you must pay a judgment fee of \$20.00 to Justice Court. The judgment against the other side entitles you to collect from that person the amount of the judgment plus court costs. **YOU MUST COLLECT PAYMENT ON YOUR OWN.** A judgment entitles the judgment creditor to obtain a writ of execution which will command the constable or sheriff or levying officer to levy upon property such as salary, bank account or personal property of the other party to satisfy the judgment. There is also a fee payable to the levying officer for service of the execution. These fees are paid at the time of filing the execution if the Sheriff is the one to do the service. If it is necessary to levy upon property other than a bank account or salary it would be well for the judgment creditor to secure the services of an attorney to assist in the preparation of the papers. If you want to execute upon real property you must file a transcript of the judgment in District Court. Again it would be wise to secure the assistance of an attorney. Costs can be added to the amount the debtor owes the judgment creditor.

#### WRIT OF EXECUTION

These are for judgments up to 10 years or a judgment renewal if over 10 years. They are used to garnish wages, bank accounts, etc.

Executions on Small Claims cannot be issued until after the 10 day appeal time.

Executions on Civil actions can be issued right after the judgment is entered – but only one per county. Also, you cannot issue another execution until the previous one issued has been returned to the court.

#### **APPEAL**

If you are not satisfied with the judgment of the Justice Court you may appeal the case to District Court. The appeal must be in writing, served upon the other party, and filed with the Justice Court within 30 days of the judgment. Within 10 days after the appeal is filed Justice Court will send the file and all evidence submitted to the District Court. You must pay \$20.00 to file the notice of appeal with the Justice Court and \$30.00 to the Clerk of District Court to appeal to District Court. You must also post a bond or notice of undertaking with the appeal. You may wish to hire an attorney to handle the appeal to District Court.

#### SATISFACTION OF JUDGMENT

Once a party has received a judgment and payment has been made in full it is his responsibility to file with the Justice Court a satisfaction of judgment so the records of the court can be cleared.

#### **RULES OF PROCEDURE**

Although civil cases in Justice Court are somewhat informal the rules of procedure and laws of evidence must be followed. Each party is responsible for following the established procedures and proving his case by presenting his evidence properly. **Failure to do so may result in losing a case that may have been won if properly presented and proven**.

IN RE: THE MATTER OF WRITS OF ASSISTANCE:

\* \* \* \* \* \* \* \* \* \* \* \*

It has been brought to the attention of this court that a great deal of time is being spent by the Office of the Lewis and Clark County Sheriff Civil Department with writs of assistance, especially when the party requesting the original writ asks that it not be enforced, then a short time later asks for another writ of assistance, on and on and on.

If the party requesting the writ of assistance wants to enforce the writ, fine. If the party asks that the writ of assistance be put on hold or not be enforced, that is also fine, but

IT IS THE ORDER OF THIS COURT if they then want another writ of assistance they will have to come to court and start the entire process over again, starting with another complaint, service of that complaint, answer, trial and or default judgment. The <u>court will no longer issue writs of assistance when one has been issued but not enforced</u> by the person or party requesting that writ.
