I am a fourth generation Montanan; born and raised in the beautiful Deer Lodge Valley, married to my wonderful wife Julie for over 47 years. I enjoy hunting, fishing, ATV trail riding and just enjoying what Montana has to offer with my two sons and trying to keep up with my Grandkids.

I have devoted my career to protecting Montana Agriculture and its natural resources from the threat of invasive species. With over 42 years of experience working in invasive plant management, I have gained and brought this experience to professional positions with the Montana Department of Agriculture, multiple county weed districts and a commercial business.
